

include/mml/Timer.hpp

```
graph TD; A[include/mml/Timer.hpp] --> B[chrono]; A --> C[cstdint];
```

A diagram illustrating the dependencies of the file `include/mml/Timer.hpp`. The file is shown in a grey box at the top. Two blue arrows point downwards from the bottom of this box to two separate white boxes below it. The left box is labeled `chrono` and the right box is labeled `cstdint`, indicating that `Timer.hpp` includes both of these headers.

chrono

cstdint
